Hull War, Strikes, Terrorism and Related Perils

Listed Areas

The Joint War Committee has recently reviewed the Listed Areas, last altered 13th August 2008, and has agreed the following changes which are incorporated in the new list as attached.

Amended: **Somalia**, including waters out to 250 nautical miles from the eastern Somalia coast south of latitude 10° N.

New: **Indian Ocean**, beyond the eastern Somalia and Gulf of Aden areas out to 600 nautical miles from the coast of eastern Africa south of latitude 15° N and north of latitude 10° S, but excluding the coastal waters of Kenya and Tanzania up to 12 nautical miles offshore.

The north-eastern point of the Indian Ocean area is measured from Ras Asir (11° 50' N, 051° 16.9' E).

Ports, places and coasts which feature on the list have been assessed by the independent consultants to exceed an enhanced risk benchmark established by them. This list will be published on the LMA and IUA websites and will be accessible to all on www.lmalloyds.com and www.iua.co.uk.

The application of this list on individual contracts will be a matter for specific negotiation.
